He's going to kill me :(

Who's going to kill you???

Joseph :(

Oh, for Pete's sake.

If you're so worried about your boss murdering you,
 maybe you should turn in your articles on time.

EXCSUE ME i do.

Almost always.

Most of the time

Look are you gonna make accusations
 or are you gonna help?

This is the third time this week!

Writing is haaaaard.

It's literally your job.

And your job is to help people!
 QED.

Do you know what QED even means?

... yes.

You absolutely do not. Fine. But quickly!
 I'm still behind with my new class.

New class?
 It's April!

Yeah, the original instructor quit mid-semester.

Whoa. Why?

Nobody knows.

The gossip is that she was having an affair with somebody.

Maybe the department head.

Maybe, ugh, Michael.

Gross.

Wait, is THAT what he's doing
when he's dodging your dissertation meetings?

Wouldn't put it past him.

But I doubt that's the real reason.

Some adjuncts just can't handle
the pressure of academia.

FROM: Sarah Vowlings

SUBJECT: re: harassment

He's started waiting for me after class and just. . . staring at me.

Please, I don't feel safe. If you don't do something about him, I'm going to have to go to the ombuds.

TO: Sarah Vowlings

FROM: Jessica Sentgeorge

SUBJECT: re: harassment

I've spoken to Daniel, and he's given me the authority to cancel your teaching requirement this semester. So [REDACTED] won't be able to find you at your class. And you don't live on campus, do you, so he shouldn't be a problem anymore.

But her loss is my gain!
What do you have so far?

Joseph is kind of on this #girlboss
female empowerment kick,
so I'm trying to make it something like that.
He says we get a ton of shares with that shit.

Oh shit sorry
I always forget how much you hate b
the b-word

It's just so demeaning to women.

I know, I know. Sorry!!!
I'm just. . . super stressed out right now.
I can't think of ANYTHING to write about,
and Joseph has been a total dick lately
about getting my shit in on time.

I forgive you :) He sounds like a jerk.

. . . yeah, he's actually not really.
Except for the #girlboss stuff, which ugggh.
He's not wrong, but still blech.
I feel, like, totally stagnant.

Well. Ideas!
#girlboss, huh? Pfft, not even #ladyboss?

Somebody did the metrics
and #girlboss gets more shares, likes,
and mentions than #ladyboss.

Seen

I know right.

Altho to be fair lady boss somehow sounds even grosser

Social media is ruining this country.

You are 27, NOT 87.

I'm just saying. Okay.

No, what I have is fine.
They need to work on their grammar more;
I don't care if it's "pedagogically hidebound."
Hey Alex?

Yuh

You're a paid writer.
You think grammar is important, right?

Seen
Sorry.
What is this and why?

I WANTED to confirm the topic
for my next class.
You must care about grammar.
You're a paid writer, after all.

Hahahahaha

ALEXIS.

Every single day I regret not getting
a degree in accountancy.

You hate math.

I also hate writing articles about mushroom coffee,
but at least accountancy would pay my bills.

Mushroom coffee?

God it is SO GROSS.
But apparently it's healthy, sooo

Hmph.
Did you finish your article?

What?
Oh shit got distracted.
